# MEMBERSHIP INFORMATION

Dance 4 Life works on a membership basis that includes an ongoing mixture of private lessons, group classes and online video portal access. Membership works this way to allow students to progress their dancing from week-to-week. Your Membership fee is paid fortnightly via direct debit and covers you for those 2 weeks.

## DIRECT DEBIT CONCERNS

We absolutely understand that some customers may have concerns regarding direct debit programs. Dance 4 Life has flexible control of your direct debit schedule, as per the following:

### YOU WILL NOT GET STUCK IN A LONG-TERM CONTRACT

You won't get stuck in a contract term that lasts for months as our minimum contract term is only 4 weeks. After this, you can easily amend, suspend or cancel. The minimum contract term is also waived if you're starting immediately after completing a 3-week Introductory Membership.

### AMENDING YOUR DIRECT DEBIT IS EASY

Direct debit can be known for lock-in contracts and difficulties in cancellation, however we only require 7 days e-mail notice for any changes to your membership. The minimum 7 days is to ensure there is enough time to process the payment requests and update your enrolments.

### WHAT HAPPENS WHEN YOU'RE AWAY?

If you know that you'll be away for a week or longer, simply give us 7 days notice via e-mail and we'll amend your membership accordingly.

### ARE THERE ANY HIDDEN FEES?

- No Signup Fees
- No Suspension or Cancellation Fees
- Credit Card Fees
  - Surcharges may apply, please refer to the latest terms & conditions
- Dishonour Fees
  - These are charged when a direct debit payment fails on your end, normally due to insufficient funds. You will never be charged this fee if enough funds are available in your bank account or credit card.

You can check out our full terms & conditions at <http://www.dance4lifestudios.com.au/terms-and-conditions/>.

If you have any other direct debit questions, don't hesitate to ask us.
